NEW: LEAP Resumes

Every high school TSA member is required to submit a LEAP (Leadership. Education. Achievement. Personal Growth.) resume as part of every competition in which they compete this year. Each LEAP resume tracks the leadership activities and experiences a TSA member has completed as part of each competition. More information on LEAP and LEAP resumes can be found [here](#).

Note: LEAP resumes will be required for every middle school competition beginning next year (2017 - 2018 school year).

NEW!

All high school TSA members **MUST** complete a LEAP resume for every event in which they compete.

Semifinalists will discuss their LEAP resumes in an interview.
