

TECHNOLOGY STUDENT ASSOCIATION

WHAT IS THE TECHNOLOGY STUDENT ASSOCIATION?

The Technology Student Association (TSA) is a national, non-profit organization of more than 300,000 middle and high school students engaged in science, technology, engineering, and mathematics (STEM). Almost 5,000,000 student members have participated in TSA since 1978 through challenging competitions, leadership opportunities, and community service.

MISSION & VISION STATEMENTS | MOTTO

MISSION STATEMENT

The Technology Student Association enhances personal development, leadership, and career opportunities in STEM, whereby members apply and integrate these concepts through intracurricular activities, competitions, and related programs.

VISION STATEMENT

The Technology Student Association is accelerating student achievement and supporting teachers by providing engaging opportunities to develop STEM skills.

MOTTO

Learning to Lead
in a Technical World

WHY JOIN TSA?

- ▶ TSA provides student members the opportunity to explore a wide variety of STEM career interests.
- ▶ TSA offers more than 75 middle and high school events that correlate with national STEM standards.
- ▶ TSA competitions can be integrated into and enhance STEM curriculum.
- ▶ TSA competitive events enrich classroom learning through hands-on experience.

TSA CHAPTERS

- ▶ Membership in TSA is through school-affiliated chapters.
- ▶ TSA advisors are engaged technology and engineering teachers interested in developing college and career-ready student members.
- ▶ TSA members are motivated to become STEM industry leaders.
- ▶ Chapter success is inspired by a cooperative team of chapter officers and inspired members.
- ▶ TSA chapters are endorsed by the school administration.

TSA PREPARES THE NEXT GENERATION FOR STEM

Student member benefits include:

- ▶ A wide variety of challenging STEM competitions
- ▶ Career and technical skills development
- ▶ Customized leadership program
- ▶ Teambuilding
- ▶ Regional, state, and national conferences
- ▶ Service project experiences
- ▶ Achievement recognition
- ▶ Networking opportunities with members and industry professionals

TSA COMPETITIONS

TSA competitions provide an opportunity for students to take learning beyond the classroom and explore topics of career interest. TSA chapter advisors can use TSA competitions as an intracurricular resource to enhance classroom instruction and extend learning through chapter meetings.

Examples of high school competitions:

- ▶ Architectural Design
- ▶ Digital Video Production
- ▶ Forensic Science
- ▶ Future Technology Teacher
- ▶ Software Development

Examples of middle school competitions:

- ▶ Digital Photography
- ▶ Forensic Technology
- ▶ Inventions and Innovations
- ▶ Medical Technology
- ▶ STEM Animation

TEAMS

In addition to over 75 competitions, TSA offers TEAMS (Tests of Engineering Aptitude, Mathematics, and Science), a set of engineering-focused competitions for middle and high school students.

Focused on a new theme each year, TEAMS challenges teams of middle school and high school students to collaboratively solve real-world engineering issues by applying their STEM knowledge in practical and creative ways.

STATE TSA CONFERENCES

- ▶ State delegations host leadership conferences in the fall and regional competitions during the school year to give student members the opportunity to prepare for state conferences.
- ▶ State conferences are held in the spring of each school year.
- ▶ State conference information is available on state TSA websites and from the national TSA website, [TSAweb.org](https://tsaweb.org).

2026 NATIONAL TSA CONFERENCE

June 22–26, 2026

Gaylord National Resort & Convention Center
Washington, DC / National Harbor, MD

The conference will feature:

- ▶ National TSA competitive events and TEAMS competitions
- ▶ Professional leadership training
- ▶ Speakers and special interest sessions
- ▶ STEM education and career options
- ▶ National TSA officer team election
- ▶ Awards ceremonies

TSA LEADERSHIP PROGRAM – TSA VOICES

TSA Voices: Leadership Lessons from Alumni is a podcast series that shares how the TSA experience shapes future leaders through alumni stories. Each episode spotlights a 21st Century Leadership Skill—like collaboration, adaptability, or communication—and its impact beyond TSA. These inspiring podcasts offer valuable insights for current members and aspiring leaders alike.

TSA NATIONAL SERVICE PROJECT – THE AMERICAN RED CROSS

National TSA partners with the American Red Cross to give members hands-on opportunities to support disaster relief, promote health and safety, and assist those in need. This national service partnership allows TSA members to apply leadership, organizational, and STEM skills to make a meaningful impact in their communities.
