

FORWARD TO **50**

TSA is on the move with Forward to Fifty (F2F)!

Your chapter can be a part of TSA history, celebrate an important milestone, and have the opportunity to receive \$1000.

Forward to Fifty is a national membership recruitment campaign that capitalizes on TSA's 50th anniversary in June 2028, and its related membership goal of 3000 chapters and 500,000 members.

The campaign has two major components:

1. Recruiting new CHAPTERS

During the Forward to Fifty campaign, any existing (affiliated) chapter that successfully recruits, mentors, and helps a school start a first-time chapter or brings back an inactive (three years or more) chapter could receive \$1000 (one-time only) once the new chapter has affiliated with TSA.

2. Recruiting new MEMBERS

Any existing (affiliated) chapter that either matches or exceeds its membership number from the 2023-2024 school year could receive \$1000.
