**Please answer the following questions and forward the answers with the completed application:**

1. Explain the course content/philosophy of the technology and engineering program at your school and why you feel your school and students would benefit from having a TSA chapter.
2. Please describe the economic situation that makes your school eligible to receive funding through the Champion Fund, such as school district funds and/or community financial support are not available or extreme economic hardship. Please provide adequate details to describe the situation.
3. Should your school be funded, explain a plan for how your school's newly chartered TSA chapter would sustain itself in subsequent years. A future plan for paying membership dues might include a request for funding from a community group or business, or fundraisers to raise dues for membership.

**To the best of my knowledge, the information provided in this application is accurate.**
