

# 2024 National TSA Conference

June 26–30, 2024 • Rosen Shingle Creek • Orlando, FL

## “Evolution of Excellence”

### TSA STATE OFFICER SPECIAL INTEREST SESSION APPLICATION

The 2024 National TSA Conference offers the opportunity for state officers to present valuable state level information through one-hour special interest sessions. Teams of three state officers may present once on topics centered on a specific subject, such as leadership initiatives, recruiting chapter officers, or state officer strategies. This is a great way for state officers to share their leadership skills and connect with TSA members. Up to six state delegations will be selected to present. Sessions will be held Thursday, June 27th; Friday, June 28th; and Saturday, June 29th. National TSA will provide basic AV (screen, projector).
