Welcome

to the 2025 National TSA Conference

Welcome TSA Members, Advisors, and Guests,

On behalf of the 2024/2025 National Officer Team, it is my absolute honor to welcome you to the 47th National TSA Conference! Commonly known as Music City, USA—Nashville, Tennessee is a place where creativity, passion, and storytelling converge, just like they do in TSA. There's no better location for this year's theme, "Tune In to Technology"!

Earlier this year, we unveiled the Forward to Fifty initiative, and as we approach TSA's 50th anniversary, we stand united by our shared commitment to growth, innovation, and empowering future leaders in STEM fields. Together, we are shaping the future of technology and engineering education. And make no mistake: you are part of that legacy.

From pin trading and special interest sessions to the awards stage, this National TSA Conference is more than an event. It's an experience we hope will stay with you long after the closing session. Take time to meet someone new, cheer loudly for your chapter, and celebrate the hard work that brought you here.

The 2024-2025 National TSA Officer Team has been so grateful to be part of your TSA experience throughout this membership year and at this conference. Thank you for bringing your energy, your passion, and your vision to this organization and for being part of this amazing #TSAFamily!

Sincerely,

A handwritten signature in black ink that reads 'Lane Lamping'.

Lane Lamping
2024-2025 National TSA President

The safety and security of all persons who attend the conference is of the utmost concern to the governing body of TSA. There are numerous security guards, provided by the Gaylord Opryland Resort & Convention Center and TSA, who work closely with local law enforcement. In addition, daily advisor update meetings provide information on how to report any security issues that may arise. As a necessary precaution, TSA enforces the following procedures:

- All participants must register for the conference.
- Identification (name badge) must be worn and be visible on a TSA lanyard by all conference attendees at the Gaylord Opryland Resort & Convention Center after June 26th.
- The mandatory student attendee curfew is 10:00pm.

- The TSA Code of Conduct must be followed by all attendees.

Personal items brought to the conference for use at the conference are the sole responsibility of the attendee who chooses to bring the items. If a participant chooses to bring items of value, s/he is responsible for their safekeeping at all times, including any item of monetary or personal value and items used in competitive events. TSA accepts no responsibility for replacement of lost, misplaced, or stolen items and will not replace such items.
