

Frequently Asked Questions

TSA VEX Robotics (VRC) and TSA VEX IQ (VIQC) Competitive Events

Which organizations manage the TSA VEX Robotics Competitions?

TSA and REC Foundation (the representatives of VEX Robotics), in partnership, manage the TSA VEX Robotics Competition (VRC) and the TSA VEX IQ Challenge (VIQC) National Championship at the National TSA Conference each year.

How do interested students register to compete in the TSA VRC or TSA VIQC events?

1. **Affiliate** with TSA for the current school year.
2. Register with VEX as a:
 - **VEX IQ Challenge team** (VIQC for middle school chapters)
 - **VEX Robotics Competition** (VRC for high school chapters).

There is no VEX registration fee to participate in the TSA VEX National Championship at the 2020 National TSA Conference (registration fees for state delegation TSA VEX events may be applicable and found on the [state TSA delegation's website](#)).
3. Register for the conference through the state/national website.

Can I participate in non-TSA VEX events?

TSA affiliated chapters that wish to participate in a **non-TSA VEX** event must register separately on robotevents.com and pay associated registration fees.

Can I use my VEX registration number for TSA related competitive events?

No; teams that register to participate in both TSA VEX events and non-TSA VEX events will receive two (2) different registration numbers within the VEX registration system. TSA VEX registration numbers are non-transferrable and can only be used for TSA related VEX events.

How many VRC or VIQC teams can compete at each TSA VEX event?

- A maximum of three (3) VRC teams and three (3) VIQC teams per state may advance to the TSA VEX National Championship event.
- No more than two (2) teams per chapter may advance.
- No more than one-hundred (100) teams in total may compete.

How does the TSA state advisor determine the teams that advance to the TSA VEX National Championship at the National TSA Conference?

TSA VRC and VIQC teams must compete in official state TSA VEX Robotics competitions in order to qualify for the TSA VEX National Championship held at the National TSA Conference. If there is no TSA VEX Robotics Competition held at a state conference, contact your **TSA state advisor**.

Where can I find information pertaining to the rules and regulations?

- Official VEX VRC Game Manual: **Tower Takeover**: bit.ly/TowerTakeoverManual
- Official VEX VIQC Game Manual: **Squared Away**: bit.ly/SquaredAwayManual

Who should I contact if I have other questions about the TSA VEX National Championship?

Janice Cabahug, TSA / 703-860.9000 / jcabahug@tsaweb.org

Mike Martus, REC Foundation / 903.453.0802 / TSAhelp@vexrobotics.com
