

Join TSA!

The Technology Student Association (TSA) gives student members the chance to explore STEM through hands-on competitions, leadership opportunities, teamwork, and real-world challenges.

In TSA, you can:

- Compete in STEM and AI events
- Build leadership skills
- Travel to local, state, and national conferences
- Gain skills that strengthen college, scholarship, and job opportunities
- Explore future careers
- Meet students with similar interests
- Have fun while creating and innovating
