Announcements and Newsletter Ideas

National TSA hopes this resource will make it easy for you to promote TSA in your school and grow your chapter membership. Whether you are just getting started or looking to boost awareness and engagement, the resources are designed to be flexible and ready to use in school announcements, newsletters, digital resources, and more. Just copy, paste, and customize the resources for your school and chapter use.

ANNOUNCEMENTS

Take your STEM skills to the next level!

The Technology Student Association is where innovation meets leadership. If you are interested in robotics, coding, engineering, public speaking, or other areas, TSA offers competitions, teamwork experiences, and leadership opportunities at the local, state, and national levels.

Come to the next TSA meeting on [date/time] or see [advisor name], TSA advisor, to learn more.

Enjoy STEM? Ready to build, compete, and lead?

Join TSA and be part of something big: The Technology Student Association is where innovation, creativity, and leadership come together. From engineering and coding to podcasting and public speaking, TSA offers something for everyone. The next TSA chapter meeting is [date/time].

Don't miss your chance to get involved!

Good morning, [School Name]!

As national TSA approaches its 50th anniversary, there has never been a better time to join. Be a part of a community of innovators and leaders shaping the future.

Attend the next TSA meeting on [date/time] or contact [advisor name], TSA advisor, for details.

NEWSLETTER WRITE-UPS

Looking to take your STEM interests beyond the classroom? Join the Technology Student Association! Chapter activities empower members through hands-on competitions, leadership opportunities, and real-world problem solving.

Attend the next meeting on [date/time] or contact [advisor name], TSA advisor, to learn more.
